### **PUBLIC MEETING**

#### **Application No. 592-09, John Porriello, 322 Silas Deane Highway Parcel No. 210-001**

Application to construct a parking lot within a regulated area

John Porriello outlined the project as constructing a new parking lot on the existing grass area.

There would be no change in grade and a stone filter as recommended by Michael Turner would be constructed at the eastern edge of the parking lot.

Commission members questioned the size and design of the stone filter, erosion and sediment control plans, grading and erosion control details.

Commissioners requested more detailed erosion control plans and details be added to the plans and that the silt fence be shown to encompass the entire construction zone.

Motion by Commissioner Forrest seconded by Commissioner Owen to table the application

All Commissioners voted in Favor. Motion passed.
