# Welcome to Wethersfield

## Mayor Paul Montinieri's Message

I am so honored to serve my second term as Mayor of the town we all love. Wethersfield continues to be a special place to serve. The Hartford Business Journal ranked it #1 for best places to live this year. It is no surprise to me!

Our new council pledges to work collaboratively to make Wethersfield even greater. Critical momentum has been created in our business community. Over 60 new businesses have moved to Wethersfield. And the energy and contagious excitement is undeniable.

I know this coming year will be even more exciting. We are working to give tax relief to our residents by growing the grand list, maintaining quality services and supporting our schools. Our high school is in the finish run of its' major renovation, and it is very impressive.

Young families are moving to Wethersfield and noting its fine schools, and its' beautiful neighborhoods. We are recognized state wide for quality of life, fine town management and a spectacular historic district. Take a walk down Main Street Old Wethersfield any time of year and you'll enjoy scarecrows along Main, Holidays galore, and spectacular shops and eateries. I'm so proud to tout our unique blend of special shops and businesses in a suburban setting that is second to none in the state. When I sit at a lo-

cal restaurant, people come up and express gratitude for the wonder of our community: unprecedented volunteers who make us greater each day. I am blessed to serve you all, and pledge to work harder than ever to make it even more exciting in the coming years.

I wish our residents the very best, and encourage you all to reach me, or any member of our leadership at any time if you need support, or assistance, or simply to share an idea. We love hearing from our residents, and we know their commitment and energy makes us stronger. Stay tuned to upcoming "coffee with the Mayor" events: I'd love you to stop by and give us feedback and share your thoughts.

# Message from the EDIC Chairman

Welcome to 2016 from the Economic Development and Improvement Commission! This year's Commissioners are:

Mark Trahan, *Chairman*

Gioia Zack, *Vice Chairman*

Mirella D'Antonio

John Adamian

Dorcas McHugh

Ken Lesser

Ken Rizzio

Marco Pace

All of the commission members are town residents appointed by Town Manager Jeff Bridges. The EDIC works along with the staff of the towns Planning and Economic Development Department made up of Peter Gillespie our Town Planner and Denise Bradley our Assistant Town Planner. The EDIC exists to serve the business community which in turn serves you. We know the healthier and happier the business community is, the healthier and happier you are living and working in the Town of Wethersfield.

We have been working hard on some new initiatives, on improving the visibility of the towns businesses to residents. A little about some of the things that we did this past year:

1. We successfully applied for and received a \$200,000 STEAP grant that will be used to provide financial assistance towards the demolition and redevelopment of the former Weight Watchers facility at 1000 Silas Deane Highway.
2. We received an additional \$250,000 STEAP GRANT to further fund the Façade Improvement program. To date we have funded 33 projects and set aside over one million dollars for the program. In 2015, we funded 4 additional projects.
3. We welcomed a number of new businesses to Town with Ribbon Cutting ceremonies and helped to spread the word about these businesses. We had over a dozen in 2015 including The Wethersfield Diner, CT Business Systems, the Old Wethersfield Country Store, Kathy's Urgent Care, CT Ear, Nose and Throat and William Raveis Real Estate.
4. Hosted the 26th Holiday Social & Salute to Business Awards to recognize the accomplishments of our local business community.
5. Our search engine initiative [www.shopwethersfield.biz](http://www.shopwethersfield.biz) has been a great success and is a wonderful way for you to get information quickly and easily and support the local business community!
6. We have also instituted a "Welcome Wagon" program as we work with the local real estate community for new homeowners in Wethersfield which include coupons and special values from local business owners, along with a couple gifts from the Town. A great way to welcome our new residents and support local business.

The economic future for Wethersfield is very bright, and we have a lot of great thing in store to make 2016 even brighter.

On behalf of the EDIC, have a healthy and prosperous 2016!

Mark Trahan  
EDIC Chairman

*A Ribbon Cutting is an important part of marketing and is a great way to kick-off a grand opening of a business. It offers an opportunity to meet key leaders in the community and get acquainted with your neighbors. The Wethersfield EDIC would enjoy assisting you in planning a successful event for your company.*

For information and scheduling please contact Denise Bradley at 860-721-2837 or [denise.bradley@wethersfieldct.gov](mailto:denise.bradley@wethersfieldct.gov)

Your choice to shop at local Wethersfield businesses impacts our community in a big way. Every dollar you spend counts! Keep your money where you live and work. Shop, dine and support your local businesses.

## VISION STATEMENT

### WETHERSFIELD BOARD OF EDUCATION

The Wethersfield Board of Education has created and adopted a vision for the Wethersfield Public Schools that focuses on three areas of central importance to us:

- 1) Outcomes and opportunities for our students;
- 2) The overall quality of our school system; and
- 3) The school system's relationship with the Wethersfield community. Our vision in these three areas is best summarized by the following:
  - As a result of the opportunities and outcomes they will have experienced in our school system, our students will value their years in the Wethersfield Public Schools and face their future with optimism and confidence.
  - The overall quality of our school system will be recognized for its excellence in the region and the state.
  - The school system's relationship with the Wethersfield community will be as an active partner with town government and civic organizations in strengthening the quality of life in our community.

# REFUSE AND RECYCLING

## AUTOMATED RUBBISH COLLECTION

The Town provides each residence with a heavy duty barrel on wheels that is easily rolled to the street. Only refuse contained in the barrel will be collected. Residents have the option of leasing a second barrel for \$200 a fiscal year by contacting Paines, our refuse and recycling contractor, at 860-844-3003.

## AUTOMATED RECYCLING COLLECTION

Single-stream recycling is here. All recycling items are to be placed in your recycling container provided by the Town. Only recyclables contained in the barrel will be collected. Recycled items include: glass jars, metal cans and aluminum foil products, milk and juice cartons, drink boxes, newspapers, magazines, junk mail, office paper, chipboard, corrugated cardboard, catalogs, magazines, shredded and office paper, newspapers and plastics (#1-#7). As of February, 2013 additional recyclable items can be put in your 95 gallon barrel or brought to the Transfer Station. These items include some of the following: large toys, beverage carts, laundry baskets and telephone directories. The complete list is available on the Town's website. Residents can request a second recycling barrel, free of charge, if residents fill more than one recycling barrel every two weeks. Recyclable items may also be brought to the Transfer Station. Recycling is picked up every other week. The schedule is located on the Town's website, Paine's website [www.painesinc.com](http://www.painesinc.com) or by calling Paines 860-844-3003. Routes start early, barrels should be out by 7:00 am.

## FURNITURE & BULK ITEM FEES

Residents should call Paines (860-844-3003) to schedule a bulk item collection at their home. Paines charges \$25 for up to 5 bulky items. Some examples of bulk items include: furniture and rugs. Mattresses can be picked up by Paines for an additional \$25 per mattress.

## APPLIANCES

For curbside pick-up of appliances (e.g. stove, refrigerator, freezer, air conditioner, hot water heater, dishwasher, washer, dryer) residents purchase a White Goods Sticker at the Transfer Station. The pick-up of appliances are scheduled for Monday mornings at 7:00. State law requires that doors be removed from refrigerators and freezers before they are left curbside. Residents may bring stoves, dishwashers, hot water heaters, washers, and dryers to the Transfer Station at no charge. Appliances that contain Freon are charged \$10.

## TRANSFER STATION

The Transfer Station is located at 100 Marsh Street and is open Monday & Friday from 9 AM to 2:45 PM and Saturday from 8 AM to 3:45 PM. With a permit residents may bring the following items free of charge to the Transfer Station: metal items; auto, marine & lawn batteries; brass, copper, aluminum, cast iron sinks & bathtubs; radiators, large pieces corrugated cardboard, hydraulic fluids, kerosene, motor oil, CFLs and electronics. All items that are recycled at the curb can be brought down to the Transfer Station. Residents are not required to have a permit in order to drop off leaves.

## STREET LIGHT REPAIR

Residents can report a street light out by logging on to the [www.eversource.com](http://www.eversource.com) website or by calling 860-286-2000.

## HOLIDAY DELAYS

If a holiday falls during the week there will be a day delay in pick-up.

Delays in curbside refuse collection typically include: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. The refuse/recycling company, Paines, has a motto of "when in doubt, put it out."

½ cu. yd. of disposal is measured as to what typically fits in a 95 gallon MSW container, considering density of the contents, e.g. construction matter versus brush. A list of acceptable items is listed on the town's website. New recycling containers at the Transfer Station include: *Electronic containers - e.g. computers, monitors, printers, televisions, toasters and vacuums. *Book Recycling - hard and soft cover. *Clothing Container - clothes, curtains, bedding and shoes.	

## HAZARDOUS WASTE COLLECTION

The Metropolitan District (MDC) schedules an annual hazardous waste collection day for Wethersfield. Call 860-278-3809 or visit their website at [www.themdc.com](http://www.themdc.com).

## PHYSICAL SERVICES DEPARTMENT

### CHRISTMAS TREE DROP OFF

The Town does not pick up Christmas trees curbside. Residents can drop off their Christmas trees at collection points around Town, including the Transfer Station.

## CURBSIDE LEAF COLLECTION SCHEDULE

In the fall, during a published period of time, Town Employees will be collecting leaves. Residents should have their leaves raked to curb by the first day of collection in their area. Leaves should be raked in a long row about three feet high and placed on the snow shelf behind the curb, not in the street. Piles must be free of any foreign matter, such as large tree branches and stones. The Town will not make individual spot pickups of leaves. Residents who do not have their leaves raked to curbside by the time of collection in their area must compost them or take them to the Transfer Station at 100 Marsh Street.

**The Town reserves the right to refuse loads which are not suited for disposal in the Transfer Station. Examples of refused loads include: large tree stumps, fill, stones and cement. The Transfer Station does not accept any hazardous materials.** Additional information is found at [www.wethersfieldct.gov](http://www.wethersfieldct.gov).

# SNOW REMOVAL

## STREETS

It is the Town's responsibility (or the State's if a state highway e.g. Route 3 Maple Street) to clear snow from streets and make them passable for public use. First the town opens the road, making one swipe down the middle from each side of the road. Once they've done this throughout the whole town they then go back and widen the road. Residents shouldn't clear their driveway aprons until the roads have been widened or the aprons will fill in with heavy wet snow from the streets.

## SIDEWALKS

It is the owners responsibility to clear the snow from the sidewalks within 24 hours after the snow or ice storm ends.

## FIRE HYDRANTS

It is the owners responsibility to clear around the fire hydrant within 24 hours after the snow storm ends. The accumulation cannot be left more than four inches below the bottom of the lowest outlet on any fire hydrant. Snow must be cleared within a radius of three feet from the center of the hydrant, and a path three feet wide made to the street.

## DRIVEWAYS

When you or your landscaper clears your driveway they cannot push the snow across the street and deposit it in front of your neighbors house. The town must push back snow as far as it can. This practice can occasionally deposit large quantities of snow on the driveway apron. This can't be avoided. One thing residents can do to minimize the snow on their driveway apron is to pile shoveled snow to the right as you face the street. That way the shoveled snow will be carried down the street and not pushed back into the driveway.

## MAILBOXES

In order to provide a fair and uniform resolution to disputes involving mailboxes damaged by town snowplow and snowplows contracted by the town to plow town roads, the Wethersfield Town Council established the following policy concerning repair/replacement of mailboxes:

- All mailboxes should be securely fastened to a sturdy post which is sufficiently anchored in the ground to resist the impact of plowed snow.
- In accordance with current postal guidelines, the mailbox should be at least nine (9) inches from the curb or edge of pavement in order to prevent contact by the snowplow itself. The height of the bottom of the mailbox should be between 42" and 48" from the road surface.
- If it is determined a mailbox was struck by a town snowplow, the town will reimburse the owner \$25 for the post and \$15 for the box. The town will not repair or replace any mailbox.
- No mailbox or post will be considered for the damage reimbursement if the post shows dry rot or is otherwise unstable.
- The town will reimburse the owner for damage to the mailbox and/or post only when the town's snowplow is found to have made direct contact with the mailbox, not

when the box is knocked over by snow or slush that is pushed by the plow.

## SAND

Sand is available for residents to use on their sidewalks and driveways. You can pick it up at two locations, the Transfer Station at 100 Marsh Street and beyond the tennis courts at Millwoods Park. Sand is available in the Transfer Station the beginning of November and in Millwoods Park once we finish picking up leaves from curbside (normally, the beginning of December).

## PUTTING SNOW ON THE STREET

### *Per Town Ordinance*

"No person shall lay, throw, blow, place or plow or cause to be laid, thrown, blown, placed or plowed on or into any public street or way any snow or ice from any private property, public or private sidewalk or public right-of-way. If, in the removal of snow or ice from any such property, sidewalk or way, it is necessary to temporarily place snow or ice on any public street or way, such snow or ice shall immediately be removed from the public street or way by and at the expense of the person causing such deposit. The penalty for each violation shall be \$50 and each and every 24 hours period of failure or neglect to comply with the provisions of this section shall be deemed a separate offense or violation."
