## Veteran Scams

According to an AARP survey, Veterans are twice as likely to fall victim to scams as the population at large. Veterans who receive compensation benefits are sought after targets for identity theft, on-line phishing schemes, and investment deceit. Some scammers offer Veterans the opportunity to refinance VA loans at very low rates. Others will pose as government agencies to access personal information, or offer lump-sum payments in exchange for signing over all their future monthly

benefit checks. There have been instances where fake charities target Veterans. In CT, the most common scams targeting Veterans involve credit cards, tech support or IRS tax, and charities. The U.S. Postal Inspection Service and AARP have created **Operation Protect Veterans**. **To report veteran scamming, call 877.908.3360.** Considerable information on scams can be found at [www.AARP.org/fraudwatchnetwork](http://www.AARP.org/fraudwatchnetwork).

## Support Services for Veterans Who Served in Afghanistan

Currently, Veterans from all eras are reacting to the events in Afghanistan, particularly the U.S. withdrawal. ## Special Student Loan Relief For Veterans and Service Members

Veterans and service members with student loans may be eligible for special programs that forgive interest on their loans, or even cancel their entire loan liability in special circumstances. The Department of Education is working with other government agencies to provide these benefits automatically with no action necessary on the borrower's part.

The Department of Education said it is writing off the interest on student loans of more than 47,000 veterans and military members who received imminent danger or hostile fire pay during their military service.

The Department of Education initiated a data sharing agreement with the Defense Department, allowing the agency to determine automatically who is eligible for the interest waiver and forgive any interest erroneously charged to service members or veterans. The interest waiver is retroactive to 2008.

## Total Forgiveness of Student Loans for Disabled Veterans

The Department of Education recently announced that it will be forgiving the student loans worth \$5.8 billion to more than 323,000 totally disabled borrowers. This includes veterans receiving disability benefits from the Department of Veterans Affairs as well as those receiving disability benefits from the Social Security Administration.

The loan forgiveness should be automatically applied to all eligible loans. Contact your lender for more information.

## **Veteran's Day**

In the past, Veteran's Day was known as Remembrance Day. In honor of Veteran's Day we want to include this moving prose poem by Vietnam Veteran and Veterans Commission Vice-Chairman, Rick Newell, USMC.

### ***A Good, Noble and Honorable Day at the Wall***

By Rick Newell, USMC

*Semper Fi. As I put this tee shirt on it reminds of the day you and I walked The Wall and we perform a wonderful task for an elderly woman. As we stood looking at the wall we heard a voice saying he is here someplace. She was holding a paper with a name and panel number. You said hi mom how can we help you? I think she handed me the paper with name and panel number. We found it and in one fell swoop you picked her up and she kissed her son's name. I did a rubbing of the name and gave it to her. You put her down she kissed us and disappeared in to the crowd. We never saw her again. The Corps stood 20 foot tall that day because two old Marines brought honor to it with an act of kindness. Marines have landed. Situation well in hand mission accomplished. We finished the walk speechless not thinking what we had done. From that day on evermore I think we both thought we brought joy to a Gold Star Mother. A good and great day at the Wall. Enjoy the tee shirt I think in your heart that it will leave you with a great memory. I Hope I got it right. I know the story to be true because I did this with my Marine Brother and fellow Vietnam Vet Joe Griggs in helping a Gold Star Mother. For over 30 years Joe ran bus trips to The Wall. Helping the Vietnam Vets to heal. I attended most of those trips. Our last trip was on the 30th anniversary of the Wall.*

*Joe, a job well done. Semper Fi, Semper Fi, Hoorah!!!!*

*Best in Life always,*

*Rick*
