James C. Pelletier  R  61 State Street  9-8-20 to 6-30-21

Proposed by – Deputy Mayor Mazzarella

Date of Action – September 8, 2020
RESOLUTION

WHEREAS, discrimination unfairly disadvantages specific individuals and communities, and erodes the strength of society through the waste of human resources; and

WHEREAS, racism can have multiple dimensions, including individual racism that is interpersonal and/or internalized or systemic racism that is institutional or structural; and

WHEREAS, racism is one root cause of poverty and constricts economic mobility; and

WHEREAS, racism causes discrimination and disparate outcomes in many areas of life, including housing, education, employment, and criminal justice; and

WHEREAS, Black, Native American, Asian and Latino residents are more likely to experience poor health outcomes, such as heart disease, diabetes, and infant mortality as a consequence of inequities in economic stability, education, physical environment, food, and access to healthcare; and

WHEREAS, the collective prosperity and well-being of Wethersfield depends upon equitable access to opportunity for every resident regardless of the color of their skin.

NOW, THEREFORE, BE IT RESOLVED, that the Town of Wethersfield will take a stand against racism and inequality; and

BE IT FURTHER RESOLVED, that the Town of Wethersfield will continue to progress as an equity and justice-oriented organization, by continuing to identify specific activities to enhance diversity and to ensure equitable principles across our leadership, staffing and contracting; and

BE IT FURTHER RESOLVED, that the Town of Wethersfield will promote equality and enhance efforts aimed at, addressing racism to understand how it affects the delivery of human and social services, economic development and public safety; and

BE IT FURTHER RESOLVED, that the Town of Wethersfield will use data in a more meaningful way to assess inequities and enable continuous improvement; and

BE IT FURTHER RESOLVED, that the Town of Wethersfield will continue to advocate locally for relevant policies that improve health in communities of color, and support local, state, regional, and federal initiatives that advance efforts to create a more just, welcoming, and equitable community; and

BE IT FURTHER RESOLVED, that the Town of Wethersfield will support efforts to embrace diversity within the community; and

BE IT FURTHER RESOLVED, that the Town of Wethersfield will use staff and community input, such as through the Social Justice Coalition, to identify clear goals and objectives with periodic reports to the Council that assess progress and capitalize on opportunities to further advance racial equity.
DATE: September 8, 2020

DEPARTMENT: Public Works/Engineering

REQUESTED BY: Derrick Gregor

ITEM: Request to award a contract for Nott Street and Heather Drive Drainage Improvements to Martin Laviero Contractor, Inc. based on their on-call bid prices for the Capital Region Council of Governments ezIQC® Program.

TOWN BID/RFP #: N/A  STATE CONTRACT #: CRCOG ezIQC® Program

BID/RFP DATE: Nov 2018  TERM: 12/19/18 – 12/31/20

RENEWALS: N/A  TERMS OF RENEWAL: N/A

COST: $124,420  BUDGET SOURCE/AMOUNT: CIP Funds

ACCOUNTS: CIP #30042

JUSTIFICATION / IMPACT IF NOT APPROVED:

Groundwater seepage through the sloped pavement at the north end of Heather Drive near Nott Street has been an ongoing problem for many years since it destabilizes the road and causes icing conditions in the winter. This icing creates a safety hazard where vehicles may slide into traffic traveling along Nott Street and Town staff needs to heavily apply salt to the area throughout the winter season. If not approved, the Town will have to issue a traditional bid solicitation to have the work completed next year prior to anticipated road paving.

DEPARTMENT HEAD COMMENTS:

Pavement conditions along Heather Drive and adjoining Robbins Drive are in very poor condition and need to be resurfaced; however, this drainage issue needs to be addressed prior to that work being completed and staff have also received many complaints from residents regarding safety concerns. These roads are tentatively scheduled for paving next year and completing the work to allow trenches to settle over winter is preferable.

The Capital Region Council of Governments (CRCOG) has a contract with Gordian who manages their ezIQC® Program, which is a competitively-bid, on-call service for construction projects. Similar to how the Town has used CRCOG’s bids for the annual pavement marking and crack seal programs, they have solicited bid unit pricing for construction work that municipalities can use to expedite projects. This program prevents staff from having to spend time and resources going through a traditional bid project, and given the small size, would be a good candidate for this program that has been used by other municipalities in the region.
TOWN COUNCIL AGENDA ITEM – BID/RFP AWARD

The attached quote of $124,720 provided by the contractor assigned to this region of the state is less than the estimated construction cost of $130,000; therefore, staff recommends award of the contract to Martin Laviero Contractor, Inc. At this time, staff expects construction will be completed this construction season.

TOWN MANAGER COMMENTS: I support the awarding of the contract

ATTACHMENTS: Information on the ezIQC® Program
Construction Quote from Martin Laviero Contractor, Inc. dated 8/18/20
Preliminary Construction Plan

ACTION REQUIRED: Motion to authorize the Town Manager to execute any and all documents related to the contract award to Martin Laviero Contractor, Inc. in the amount of $124,420 based on the competitive bidding process.
Bring speed and efficiency to the construction procurement process with ezIQC®. Available through cooperative purchasing networks, ezIQC provides access to competently awarded contractors. By following the simple steps below, ezIQC allows you to get your project started quickly.

### Joint Scope Meeting
Once project information is received, Gordian will contact you to schedule a Joint Scope Meeting at the site to help you and the contractor agree on the details of the work to be performed. This meeting allows the contractor to inspect the site and ask questions before submitting a Price Proposal, helping to eliminate misunderstandings and mistakes. This upfront, open communication often results in more cost-effective, collaborative solutions.

### Detailed Scope of Work
Gordian helps you prepare a Detailed Scope of Work that describes the work the contractor will perform. The Detailed Scope of Work will be sent along with the Request for Proposal to the contractor.

### Price Proposal
The contractor prepares a Price Proposal by selecting the appropriate tasks from Gordian's Construction Task Catalog® (CTC). The contractor submits the Price Proposal along with a construction schedule and list of proposed local contractors.

### Price Proposal Review
Gordian reviews the Price Proposal to ensure the contractor has selected the appropriate tasks and quantities and will ask the contractor to make any required changes. The reviewed Price Proposal is submitted for your final review.

### Purchase Order Issued
Once you are 100 percent satisfied with the Price Proposal, construction schedule, proposed subcontractors and have received and approved any other required documents (e.g., bonds, certificates of insurance, etc.), you can issue a purchase order for the contractor to proceed.

DEPARTMENT: Physical Services

REQUESTED BY: Sally Katz, Director of Physical Services

ITEM: Roofing Improvements at Fire House #1

TOWN BID/RFP #: Omnia National IPA Certified Proposal No. R18-0903-305907

BID/RFP DATE: 8/21/2020

TERM: n/a

RENEWALS: No

TERMS OF RENEWAL: None

COST: $87,015

BUDGET SOURCE/AMOUNT: 3000-54435-30541

JUSTIFICATION: The cedar shake roofing system at Fire House #1 has numerous failures that have been patched, re-patched and the roofing system is failing. There continues to be leaking and damage to the interior of the building because of the leaks. A request to change the roofing materials from cedar was rejected by the Historic District. The Town working with Omnia National IPA went out to bid for the roofing improvements to Fire House #1.

The project consists of replacing the entire roofing system with natural red cedar shake, decking, underlayments, copper valleys, copper trim & flashing systems, gutters, snow guards and new fascia boards.

IMPACT IF NOT APPROVED: The fire house will continue to have damage to the interior of the building and the current roofing system will continue to deteriorate.

DEPARTMENT HEAD COMMENTS: Support awarding contract for roofing improvements to Eagle Rivet Roof Service Corporation.

TOWN MANAGER COMMENTS: This project needs to be addressed immediately as the roof failure severely undermines the integrity of the structure.

ACTION REQUIRED: Motion to authorize Town Manager to execute any and all documents related to Fire House #1 roof improvements and Eagle Rivet Roof Service Corporation, located in Bloomfield, CT in the amount of $87,015.

QUOTATION FORM

August 21, 2020

Sally Katz
Director of Facilities & Operations
Town of Wethersfield
505 Silas Deane Highway
Wethersfield, CT 06109

Re: Proposal for 2019 Roofing Improvements – Project Name.

Dear Sally Katz,

Having carefully examined the instructions for quotations, project specifications, drawings, supporting documents and addenda issued prior to this date, we propose to furnish all labor, materials, equipment, transportation and other services required to successfully accomplish the work in accordance with the project documents.

This proposal and any work performed related to this proposal will be provided in accordance with the project documents and the terms, conditions and criteria established by NATIONAL IPA Contract No. R1809035-305907; Service No: 5040841

A. Base Quotation – Roofing Improvement at the Wethersfield Volunteer Fire Department #1 (Natural 18” Red Cedar #1 Shake, underlayments, copper valleys, copper trim & flashings systems, gutters, snowguards, new fascia boards):
