Signature of Applicant(s)

Date

The signing of this application authorizes the members and agents of the Commission to inspect the subject land, at reasonable times, during the pendency of an application and for the life of the permit.

The applicant must appear at all scheduled meetings.

WARNING: An application that requires local inland wetlands approval may also be regulated by the federal government under the Clean Water Act which is administered by the United States Army Corps of Engineers under the 404 permit program. The responsibility for obtaining federal and/or state permits is a responsibility of the applicant as are any fines, penalties and delays due to the applicant's failure to seek permits or to question their applicability to the proposed activity.
