

**Town of Wethersfield
Department of Public Works
Engineering Division**

Contractor License Requirements

A Contractor License must be obtained prior to completing any improvements within the Town right-of-way. To obtain a license, the following documents must be brought to the Engineering Division located on the second floor of Town Hall at 505 Silas Deane Highway:

1. Surety Bond per Town Ordinance Section 139-18 for an amount equal to the estimated cost of improvements and not less than \$10,000.

2. Current Certificate of Insurance per Town Ordinance Section 139-18 with the following minimum liability limits:
 - a. Bodily injury limits of \$500,000 each person / \$500,000 each accident

 - b. Property damage limits of \$500,000 each accident

Refer to the current "Town of Wethersfield Standard Construction Details and Code Requirements for Improvements within the Town Right-of-Way" for additional information.
