

**Town of Wethersfield  
Department of Public Works  
Engineering Division**

## **Contractor License Requirements**

A Contractor License must be obtained prior to completing any improvements within the Town right-of-way. To obtain a license, the following documents must be brought to the Engineering Division located on the second floor of Town Hall at 505 Silas Deane Highway:

1. Surety Bond per Town Ordinance Section 139-18 with the Town's standard form for an amount equal to the estimated cost of improvements and not less than \$10,000. The standard bond form is available online at [www.wethersfieldct.gov/engineering](http://www.wethersfieldct.gov/engineering).
2. Current Certificate of Insurance per Town Ordinance Section 139-18 with the following minimum liability limits:
  - a. Bodily injury limits of \$500,000 each person / \$500,000 each accident
  - b. Property damage limits of \$500,000 each accident

For additional information, refer to the current "Town of Wethersfield Standard Construction Details and Code Requirements for Improvements within the Town Right-of-Way" that is available online at the above website.
