Hello Fearless Four Families,

We hope you all had a wonderful Mother's Day! This will be our last activity email for the school year, we are sad that we did not get to finish up with our end of school activities. The teachers are very excited for the parade next week. Here are some ideas you can do at home with your child!

*Boredom busters, are always a good thing to have on hand. We found this website that has gross motor, cooking, and other topics for kids!
