

THE WETHERSFIELD COMPUTER LEARNING CENTER

NEED TECH HELP?

FREE ONE ON ONE TECHNOLOGY INSTRUCTION

Even while the Senior Center is closed, the WCLC is offering **individual instruction on iPhones, iPads, Android phones, Android notebooks and tablets.**

- * Sessions are based on your individual needs and questions.
- * Volunteers are available to assist you remotely via phone and through videoconferencing applications
- * Sessions are up to one hour and are **FREE** of charge during this time.
- * Donations to WCLC are always welcomed.

DO YOU WANT TO ZOOM?!

**EASILY ACCESS REMOTE CLASSES, MEETINGS & SOCIAL INTERACTIONS
WITH VIDEO CONFERENCING**

Much of the Senior Center's programming is now done remotely during this time of social distancing. If you have a computer, laptop, smart phone or iPad/tablet, you can easily join in the fun, stay busy at home, and connected to your friends and family! **It's easier than you think!**

The Wethersfield Computer Learning Center continues to offer **FREE** one on one, remote tutoring. Learn how to use the most popular videoconferencing platforms: Zoom, Google Meet and GoToMeeting, to name a few. Volunteers are available to explain, access and use the technology.

**For more information or to request one on one and Zoom assistance,
please email amy.miller@wethersfieldct.gov or call 860-721-2979**
