March 16, 2020

To Wethersfield Residents and Businesses:

Please note that due to health concerns related to COVID-19, tonight's Council Meeting scheduled for 7 p.m. has been cancelled. We will reschedule for a later date.

In an effort to protect employee and community members' health, all town buildings will be closed to the general public, effective Tuesday, March 17, 2020 at 8:00 a.m. This includes, but is not limited to:

- Town Hall
- Library
- Community Center/Senior Center
- Nature Center
- Solomon Wells House
- Old Academy
- Little Red School House
- All School Buildings
- Physical Services/Transfer Station
- Fire Houses (Open for Emergency Personnel, but not general public)
- Police Station Community Room
- Wethersfield Volunteer Ambulance (Open for Emergency Personnel, but not general public)
- Keeney Memorial Cultural Center

Town staff will be available during normal business hours to assist resident transactions. Residents should expect some delay in response times and possible changes in how we operate since the building will be closed. However, our intent is to continue to provide support to our residents and businesses during this time.

Residents are encouraged to use online services available at www.wethersfieldct.gov and/or call the main number at 860-721-2800 rather than coming to town offices. Department e-mail addresses are available on the town website.

The state is in an ever changing environment due to this health emergency. However, the town has plans in place to ensure the general conduct of government will continue. As a formality, the town may declare a state of emergency in order to access possible funds from federal or state resources. Please be advised that activities not essential to the general conduct of government may be cancelled to discourage unnecessary meetings or risking transmission by exposing staff to COVID-19. In the meantime, we continue to remain open with limited access.

Please do not hesitate to contact town staff through phone or e-mail if there are questions or concerns.

Sincerely,

Gary A. Evans
Town Manager
