

## Light up Your Neighborhood with Luminaria on Christmas Eve!

Be a part of the joy in a 44 year old Wethersfield tradition by displaying special votive candles in sand-lined bags along your property this Christmas Eve.

Let's light up Wethersfield! Luminaries are most beautiful when neighborhoods display them. It is recommended the Luminaries be displayed at the end of your yard 6-10 feet apart along the road.

Each Luminaria kit costs \$1.50, and includes the 14-hour candle, special bag and instructions.

Kits are available at Wethersfield Travel, 219 Main Street, Old Wethersfield now through NOON on Friday December 22nd for use on Christmas Eve.

To order your kits call 860-257-3775 prior to pickup, and they will be ready.

Become a *Captain*, and order for your neighborhood!

Light your Luminaria at dusk on Christmas Eve, they will shine until Christmas morning!

All proceeds go to the Keane Foundation Programs After School Enrichment Programs and the 9/11 Memorial Sports Center
